

# Die With A Smile (feat. Bruno Mars)

Lady Gaga

Ooh

I just \_\_\_\_\_ up from a \_\_\_\_\_  
Where you and I had to say  
goodbye  
And I don't \_\_\_\_\_ what it all

\_\_\_\_\_ But since I survived, I \_\_\_\_\_

\_\_\_\_\_ you go, that's where  
I'll follow  
Nobody's \_\_\_\_\_ tomorrow  
So I'ma love you every night like  
it's the last night  
Like it's the last night

## CHORUS

If the \_\_\_\_\_ was ending, I'd  
\_\_\_\_\_ be next to you  
If the \_\_\_\_\_ was \_\_\_\_\_ and  
our time on Earth was \_\_\_\_\_  
I'd wanna hold you just for a

\_\_\_\_\_ And die with a smile  
If the \_\_\_\_\_ was ending, I'd  
wanna be next to you

Woo-ooh

Ooh, lost  
Lost in the \_\_\_\_\_ that we

\_\_\_\_\_ I don't even wanna do this

'Cause you \_\_\_\_\_ know what  
you \_\_\_\_\_ to me  
And our love's the only war  
\_\_\_\_\_ fighting for

\_\_\_\_\_ you go, that's where I'll  
follow  
Nobody's \_\_\_\_\_ tomorrow  
So I'ma love you every night like  
it's the last night  
Like it's the last night

Right next to you  
Next to you  
Right next to you  
Oh-oh-oh

Ooh, ooh  
I'd wanna be next to you
